MOTOTRBO XPR 7000 SERIES ACCESSORIES

GET EXCEPTIONAL AUDIO EVERYWHERE

From the supervisor in the plant to the receptionist at a hotel, MOTOTRBO™ digital solutions can transform your enterprise and make employee interactions smarter and safer. Our XPR™ 7000 Series radios have expanded capabilities, like full color displays and powerful data features, to empower people like never before.

That's why it's critical to choose the only accessories certified to perform with MOTOTRBO radios. The XPR 7000 Series accessories help remaster your workplace – with forward-thinking features like integrated Bluetooth® and Intelligent Audio – so you can achieve greater efficiency.

INTELLIGENT AUDIO: YOUR CALLS, ALWAYS AT THE PERFECT VOLUME

Our XPR 7000 Series radios offer a smart feature in digital mode – Intelligent Audio. With Intelligent Audio, the radio volume automatically adjusts to compensate for background noise so workers don't have to adjust their radio volume to avoid missing a call in loud situations or disturbing others when they move into quiet places. Your workforce can also enjoy the benefits of Intelligent Audio with select audio accessories. Plug in an IMPRES™ accessory and it instantly sets the volume level and enhances the Intelligent Audio capabilities on the radio.

ACCESSORIES COMPATIBLE WITH MOTOTRBO XPR 7550, XPR 7350, XPR 7580, XPR 7350 PORTABLE RADIOS

SURVEILLANCE ACCESSORIES

Transmit and receive discreetly with a variety of surveillance kits that feature a streamlined design and rugged cables that withstand tough conditions. A quick-disconnect, durable and comfortable translucent tube enables easy sharing between shifts.

MAKE YOUR WORKPLACE
SIMPLER AND SMARTER

BLUETOOTH

Wireless accessories give you the flexibility to remove the radio from your belt and stay connected within 30 feet. We've embedded Bluetooth in to your XPR 7000 Series radio so no adapter is needed. A full portfolio of wireless accessories are available to meet your specific business needs. The XBT Heavy-Duty Wireless Headset is the state-of-the-art digital headset that unleashes the power of MOTOTRBO radios to shield you from harmful, high-decibel noise while letting you hear the sounds you need to – people, alarms, alerts and more.

UNLEASH YOUR RADIO WITH INTEGRATED BLUETOOTH

NNTN8457	Neckloop Retention Hook bulk pack (10 pcs)

BATTERIES AND CHARGERS

IMPRES batteries reduce the number of spare batteries you buy and increase the time before you need replacements. Only IMPRES batteries can be charged 150 additional times versus a standard battery – a 43% increase in charge cycles. If you charge radios two to three times a week, you'll get more than an extra year out of every IMPRES battery.

CHARGE IMPRES BATTERIES 150 MORE TIMES THAN A STANDARD BATTERY

REMOTE SPEAKER MICROPHONES

I CAN HEAR YOU, EVEN IF YOU CAN'T HEAR YOURSELF

Whether you're in a crowded stadium or a manufacturing plant, the INC RSM is optimized to perform with MOTOTRBO™ radios in extremely noisy, dirty and difficult environments. With its rugged construction and exceptional noise canceling, you can hear and be heard in high noise environments. Now you can work safely and be more productive in your workplace. The INC RSM offers convenient wearability by allowing you to clip the RSM to your shoulder or lapel and talk freely with a touch of the prominent push-to-talk button.

KNOCKS. DROPS. SHOCKS. VIBRATION. STATIC.

If your radio gets banged on a ride, rattled by heavy equipment or shocked by static electricity, our batteries will stay true and stand tough. These rigorous lab tests prove that Motorola radio batteries perform robustly and reliably, despite the toughest conditions.
